

Northern Virginia Radio Control MultiGP Survey

Please rate each of the following statements between 1 and 10 with (1) being Highly Disagree and (10) being Highly Agree.

I value the social atmosphere of racing over actual results _____

I race for personal pride _____

I race for the prizes _____

I want to crush my enemies, to see them driven before me,
and to hear the lamentations of their women _____

I would rather have cash prizes over actual physical prizes _____

I would rather have actual food (burgers/hotdogs)
over snacks/refreshments at the cost of less prizes _____

I would rather have no food and no refreshments for higher prizes _____

I would rather the race events take longer rather than be shorter _____

I would rather race head-to-head rather than accumulate points
to qualify _____

Faster-than-average competitors make me feel less likely
to race in the future _____

I value my own personal results rather than overall race results _____

Races are the only chance I get to practice _____

I have a good idea of how I stack up against the rest of the field _____

I have a safe "spot" I fly regularly to practice my flying/racing _____

I would welcome more opportunities that make me a better pilot
such as races/structured practices _____

In terms of the R/C hobby, I fly quads exclusively _____

I would drive to Mickie Gordon Memorial Park to practice _____
